

**Supply List for 4th Grade
2016-2017**

- ◆ 1 Large zip up 3 ring Binder
- ◆ 5 folders with holes (to fit in the 3 ring binder)
Each folder should be labeled accordingly:
 - First folder, label: **HOME** on the front. On the inside left pocket label: **Stay Home** and on the right pocket label: **Bring Back.**
 - Second folder, label: **Spelling/Handwriting** on the front. On inside left pocket, label: Spelling and on the right label: Handwriting.
 - Third folder, label: **Reading/English.** Inside left: Reading and right: English.
 - Fourth Folder, label: **Math/Religion.** Inside left: Math and right: Religion.
 - Fifth folder, label: **Science/Social Studies.** Inside left: Science and right: Social Studies.

(In my experience, I have found that this binder helps the students to stay organized and to keep track of their work. Suggestion: white label stickers work well on the folders and are easy to read the subject titles.)

- Students should have one pencil box/bag that contains the following:
 - 1 pack of crayons, markers and colored pencils
 - 2-3 glue sticks
 - 1 pair of scissors
 - pencils/pencil sharpener
 - 1 notebook labeled: **MATH**
 - 1 notebook for misc. tasks
