

## Supply List for 5<sup>th</sup> Grade

- ◆ 1 Large zip up 3 ring Binder
- ◆ 5 folders with holes (to fit in the 3 ring binder)  
Each folder should be labeled accordingly:
  - First folder, label: **HOME** on the front. On the inside left pocket label: **Stay Home** and on the right pocket label: **Bring Back**.
  - Second folder, label: **Spelling/Handwriting** on the front. On the inside left pocket label: **Spelling** and on the right pocket label: **Handwriting**.
  - Third folder, label: **Reading/English**. Inside left: **Reading** and inside right: **English**.
  - Fourth Folder, label: **Math/Religion**. Inside left: **Math** and inside right: **Religion**.
  - Fifth folder, label: **Science/Social Studies**. Inside left: **Science** and inside right: **Social Studies**.

In my experience, I have found that this binder helps the students to stay organized and to keep track of their work. White label stickers work well on the folders and are easy to read the subject titles.

Students should have one pencil box/bag that contains the following:

- 1 pack of 24 crayons
- 1 pack of markers or colored pencils
- Glue stick or liquid glue
- 1 pair of scissors
- Pencils/Pencil sharpener
- Red pen
- 4 notebooks
- Looseleaf
