

SERVICE HOURS FOR CONFIRMATION

As preparation for the Sacrament of Confirmation, the Confirmation candidates are invited to participate in service projects. The purpose of the projects is to lead to a better understanding of the meaning of service and to experience the responsibilities of a true Christian. Jesus said, "By this shall all people know that you are my disciples, if you have love for one another."

The service performed should be a real service that is, without any monetary reward to meet a need or needs of another person or group of people. The service should be performed in the spirit of Christian concern and love. Service is inherent in our obligation to be good stewards. As a candidate for the Sacrament of Confirmation, you are asked to give freely of your time and talent in three ways: stewardship to family, to community, and to the parish. Although there is no required number of hours to be spent in service, it would be nice to see at least ten (10) hours in each area.

You are asked to give account of your service by completing the form below. Please list time and talent given to family, community, and parish. Submit description of service, number of hours and the signature of the beneficiary of the service.
