

Transportation Procedure

BUS RIDERS:

Bus transportation is provided by the local school districts in which a student resides. **Students are permitted to ride only the bus of the school district in which they reside and are assigned.** Transportation is provided for students in levels K-8.

The buses will enter through St. Angela Way, and drop off or pick up the students in front of the building and exit through Kelly Street.

CAR RIDERS AND WALKERS:

If your child's ordinary means of transportation will be a car rider or walker this year, please send a note to his/her homeroom teacher on the first day of school stating this. Please specify who will be transporting your child(ren) and on what day of the week. The note will be kept on file for the year.

ARRIVAL:

Car riders arriving between 7:30–8:00 will enter through Kelly Street and go to the back driveway of the school where students will be dropped off at the glass doors next to the church doors. Students arriving by car after 8:00 must enter through the front doors of the building and cannot be in the bus line and cannot park in front of the building. Those vehicles should park in the parking lot on either the church side or on the double lot side of the school building.

DISMISSAL:

The car riders in grades 5-8 and their younger siblings will exit from the back driveway of the school and walk to their cars which need to be parked in the church side lot adjacent to Kelly Street. Cars will then exit through Kelly Street. PLEASE NOTE: SCHOOL BUSES MUST BE GIVEN THE RIGHT OF WAY.

The car riders in grades K-4 will leave from the back driveway of the school. Those parents must come up Summit Street to the back driveway and make a single file line. Cars are not to arrive at school until 2:40 PM. Cars will exit through Kelly Street so all traffic flows in one direction. PLEASE NOTE: SCHOOL BUSES MUST BE GIVEN THE RIGHT OF WAY.

****** A WRITTEN NOTE MUST BE GIVEN TO THE HOMEROOM TEACHER IF A STUDENT IS TAKING AN ALTERNATE MEANS OF TRANSPORTATION, OTHERWISE STUDENTS WILL BE DISMISSED TAKING THEIR ORDINARY MEANS OF TRANSPORTATION.**
